

## Alderley Edge Festival

The Alderley Edge Festival of Music, Speech and Drama has taken place for over 100 years. It is a charity run entirely by dedicated volunteers from the local community. We are self-supporting and reliant upon interest, goodwill and generosity for the continued success of our Festival.

The participation is tremendous with typically more than 2000 performers of all ages, abilities and backgrounds joining our Festival each year. During the week of the Festival we enjoy and appreciate the use of many venues throughout the village.

It is an uplifting experience to behold for all those who perform, attend and organise the event.

### OUR AIMS:

- To celebrate and enjoy the variety of music, speech and drama shown by all those who take part in our Festival
- To nurture all participants irrespective of ability or background and help them to enjoy a wonderful, welcoming experience to help them grow in self-confidence
- To highlight excellence and achievement by having a public Festival to which professional adjudicators bring expertise, guidance and an educational aspect to the performers
- To develop strong, long-lasting relationships with our greatly appreciated patrons, sponsors, educational establishments, the community and Friends of the Festival
- To ensure an ethos of understanding, appreciation and friendship in addition to passing on a set of values to generations ahead so that the Festival in Alderley Edge may continue to develop its historical legacy.

COMPLAINTS PROCEDURE

## COPYRIGHT COMPLIANCE 2026

[www.federationoffestivals.org.uk](http://www.federationoffestivals.org.uk)

The British and International Federation of Festivals (BIFF), of which Alderley Edge Festival (AEF) is a member, works on our behalf to ensure copyright compliance and has negotiated group licensing arrangements with the Performing Rights Society (PRS), the Music Publishers Association (MPA) and the Authors Licensing and Collecting Society (ALCS). AEF have obtained the necessary licences for instrumental / vocal performances at this Festival by paying the annual copyright fee to the Federation.

Specific permission has been granted regarding the photocopying of music, poetry, prose and solo monologue performances as follows:

### **MUSIC:**

**Adjudicator Copy** – A person performing a work at the AEF in front of an audience may make one copy for the Adjudicator provided that the performer has already purchased his/her publication and that the copy is marked and destroyed immediately after the AEF. The copy must be marked 'Adjudicator Copy. Destroy after use.'

**In all cases printed publications must have been purchased and be in the hall at the time of the performance.**

The group licence of the **PRS** allows the performing of **music** to take place as follows:

**Instrumental & Vocal classes:** -the performance of music compositions is possible at the AEF.

**Songs from the Shows:** - performance of excerpts from musical plays is possible provided that:

- the excerpt is performed without any change to either music or lyrics and uses only the published or authorised musical arrangements and there is no use made of any form of scenery, costume, choreography, character representation or special lighting which changes the portrayal of the original work from which the excerpt is taken.

AEF do not allow downloaded material as an accompaniment at this Festival.

### **SPEECH AND DRAMA:**

#### **Poetry, prose, solo monologue and drama performances:**

The BIFF has entered into an agreement with the **ALCS**. This means that performers do not have to seek copyright permission for any poetry, prose or solo dramatic items performed with a time limit of 10 minutes. **Solo dramatic items must be announced by the performer giving the title and author at the time of performance to qualify for copyright indemnity.** Words must not be changed and the gender of any character must not be altered.

**Duologues and group dramatic works, including Musical Theatre, are not covered by this agreement and copyright for these items should be sought by performers / teachers at the time of entry in the absence of any other licensing arrangements.**

**IT IS A CONDITION OF ENTRY TO EVERY HALL AT ALDERLEY EDGE FESTIVAL THAT PHOTOGRAPHS AND RECORDINGS WILL NOT BE TAKEN, apart from photographs taken by our professional photographer. This applies to all recording devices including CAMERAS, VIDEO RECORDERS, MOBILE PHONES and TABLETS.**
